TOURING CAPE TOWN

SHARK CAGE DIVING

Meet the apex predators of the sea: underwater and on the surface. The waters off the Cape are famous for their density and sightings of great white sharks, inspiring both fear and awe. Learn more about these incredible creatures from the experienced crew – on deck, and as they safely guide your cage dive. Brace yourself for predatory action and the thrill of a lifetime. You'll likely also encounter smaller sharks, seals, dolphins, penguins, and even whales in season.
