TOURING CAPE TOWN

CULINARY CITY WALKING TOUR

Cape Town and food have a long history. Established in 1652 as a refreshment station for ships rounding the tip of Africa, our ‘Mother City’ nurtures people. Today, it’s a globally celebrated gastronomic destination, a foodie hotspot with multi-cultural cuisine and fine wines to match. Join local culinary experts to taste your way through the spices of the rainbow-coloured Bo Kaap, the sophisticated fare of cosmopolitan De Waterkant, the vibey cafés throughout the city, and beyond.
